NOTICE

All the Heads of the Departments are requested to circulate a notice among faculty, uniform in charge, mentors and students regarding the implementation of the uniform for the students. Kindly make someone as an in charge in the department who will be entertaining queries regarding uniform. Dr. Shagufta in S&H may be consulted for any details.

Uniform and I card are mandatory for the students. Please ensure its implementation. If some students need time to get it stitched, may be given by the mentor or uniform in-charge. Students having no uniform, may not be allowed for placement activities, industrial visits, events and programmes conducted by MACET.

I have started pointing out in my class and the same may be done by entire faculty in their respective classes. I am sure once we all take initiative, it would be easy to implement.
