

Greetings of the day,

This is to kindly inform you that AKU-TEQIP is organizing Pool Campus Placements drive for our affiliated colleges at Patna on 23rd and 24th March 2020.

Company's Name : Toppr

Company's Profile:

Toppr is India's leading ed-tech company with a mission to Make Learning Personalized. Our adaptive after-school learning app for classes 5th to 12th is used by over 100 lakh students. We have the widest syllabus support that covers over 20 subjects, 20 boards, and 50 exams. We believe each child is unique with distinct learning needs. We are building Toppr as an adaptive platform to increase engagement, optimize learning and improve outcomes for all students. Toppr was started in 2013 by IIT Bombay alumni Zishaan Hayath and Hemanth Goteti and is backed by venture capital firms like SAIF, Helion, Eight Roads, and Kaizen.

Toppr has recently raised \$75 million in a funding round led by education-focused investor Kaizen Private Equity, venture debt firm Alteria Capital, Brand Capital and existing investors and we are going to use these funds to scale up our Teams and we are inviting you to be a part of this journey. Toppr has grown over 50x in the last 3 years and is poised to grow to \$2 billion in 5 years.
